Profile ads in the EDM Buyer`s Guide in ETMM 11/12

Profile ads are an excellent format for getting more out of your advertising budget and presenting your company, focussing on it to draw attention to your products and services.

The offer applies exclusively to customers who book at least a 1/2 page advertisement in the same issue.

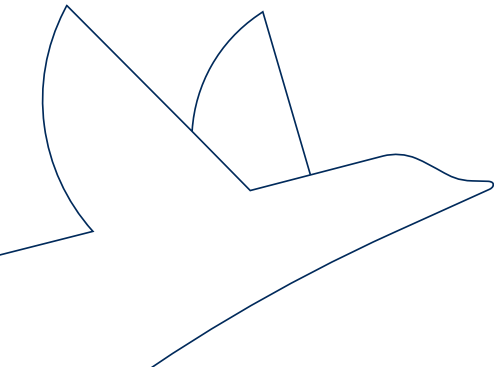

A full-page profile contains 150-300 words and illustrative images. ETMM creates a complete layout based on your materials, which is then sent to you for approval.
