ETMM MOULDING EXPO Daily - Official Newspaper

Dear Sir or Madam,

Today we would like to inform you about the **ETMM Moulding Expo Daily**, the official trade fair newspaper of Vogel Business Media, which will be released directly at the MOULDING EXPO 2019.

We also think this information is necessary as more and more "free riders" are attaching themselves to a trade fair to do business in an unfair and dishonest manner.

ETMM Moulding Expo Daily provides daily information on trade fair activities and news and is distributed to the trade fair visitors. It is thus an important orientation aid for visitors and exhibitors.

ETMM Moulding Expo Daily offers all exhibitors an interesting presentation platform for their offering at the trade fair. The contact partner for any questions in relation to the official trade fair newspaper is:

Britta Solloway (E-mail: britta.solloway@vogel.de)

We wish you all the best in your trade fair preparations and look forward to welcoming you in May 2019 at MOULDING EXPO.

Kind regards,

Florian Niethammer
Head of Team

Florian Schmitz
Project Manager
