Be a sponsor or an exhibitor!

In 2021, the specialist congress Mehr Effizienz im Presswerk is again the meeting point for managers and staff in pressing plants, machine construction and the manufacture of ferrous, sheet-metal and metal products. Take part in the specialist congress and meet us on June 17th 2021 in the Stadthalle, Sindelfingen.

Overview of the event

You've got to be fast! Pressing plants require large investments and corresponding output is expected from the machines. How can costs be reduced and efficiency raised? This specialist congress uses practice-related presentations and a variety of solution concepts to illuminate the areas of action for higher efficiency.
