**MM Daily by Vogel Business Media once again to be the official on-site Show Daily of EuroBLECH 2020**

Dear Exhibitors,

From 27-30 October 2020, EuroBLECH will once again be the international meeting place for professionals in the sheet metal working industry. In order to provide comprehensive information on product innovations and applications of exhibiting companies for over 60,000 expected visitors, three issues of MM EuroBLECH Daily will be published during EuroBLECH 2020.

Thereby, Vogel Business Media, publisher of the industry magazine “MM MaschinenMarkt” and the affiliate magazine “blechnet”, is once more our authorised media partner for publishing the on-site Show Daily.

The MM EuroBLECH Daily will give daily updated information on all events taking place during the exhibition. It will be distributed exclusively at all the entrances to the exhibition, at the exhibition stands and at the most important hotels in Hanover. Therefore, it is a significant orientation guide for visitors and exhibitors. In addition to that, an e-paper version of MM EuroBLECH Daily will be sent to the relevant newsletter recipients of the MM group and distributed via their social media channels.

MM EuroBLECH Daily provides an interesting platform for all exhibitors to present their product range. For any enquiries about the official Show Daily please contact Mr Udo Schnell, Editor-in-Chief (email: [udo.schnell@vogel.de](mailto:udo.schnell@vogel.de)) or Winfried Burkard, Project Manager (email: [winfried.burkard@vogel.de](mailto:winfried.burkard@vogel.de)).

I wish you a successful exhibition and I am looking forward to welcoming you to EuroBLECH in Hanover in October.

Best regards

Evelyn Warwick
